Another week of rain who isn't looking forward to Summer??

Don't forget that the Club and Pro Shop are open 7 days a week and the Bistro is open for lunch from Tuesday to Sunday and also for dinner on Friday nights. Even if the weather is miserable, you can come down for a nice meal or enjoy a drink or coffee with a few friends. Fathers Day isn't too far away to be thinking of buying something for Dad to improve his golf — perhaps a new putter or even some golf lessons.

Don't forget our **FULL PLAYING GOLF MEMBERSHIP SPECIAL OFFER!!** All the details can be found on our website.

From the Pro-Shop...

Col Simpson's 3 week reign as Wednesday Comp Champ has come to an end. **Albert Oliver** knocked him off his lofty perch with an outstanding 38 point performance in the driving rain on Wednesday 28th. Alby, as he is affectionately known, also doubled up with NTP. So, on top of his \$48 voucher, he has also snared 2 Srixon Soft Feel balls!! Well done to the 12 die-hard golfers who braved the torrential downpour and made last Wednesday our biggest comp yet!

It seems that our new teaching pro, James, has brought the Irish weather with him. Having spent 2 years teaching in the **Emerald Isle** he should be well and truly used to this kind of weather. So, if you need help with your wet weather golf, book a lesson with James.

Here's hoping the rain stops, the sun starts to shine and our course dries out!!

FROM THE LADIES ...

Pennant News: In Bronze II last Friday, **Margaret Bright** won and **Pat Beatty** squared their games against Wakehurst at Balgowlah. **Di Dampney**, in her first Pennant game in Bronze IV, squared her game as did **Sue Robb** against Lane Cove at Castle Cove. Congratulations and Good Luck to our players in the next round.

Next Tuesday sees some of our members vying for the Grandmother's Trophy - good luck to all the Nannas, Nans, Nins, Grannies and Umas amongst us.

Foursomes Championship in two divisions (Division I: 0-32, Division II: 33-45) is coming up on 10th and 17th August and you choose your own partner for this event.

From the Captain...

I attended the Golf NSW Zone Meeting on Wednesday 28th July. The main news was that the merger of men's and women's golf in NSW was finalized on 1st July 2010. The merged organization is now known as GOLF NSW and their headquarters is at Arncliffe. There was a general discussion on the decline of members in Clubs and the decline of players in Vardon events. Some consideration needs to be given to taking Vardon and Mostyn Shield events from some clubs as they are not fulfilling their requirements.

Just a reminder that the Cock of the Walk Qualifying Round is on Saturday 7th August. The Best 16 will qualify and you must nominate before play begins. The subsequent playoff dates are:-

Saturday 14th August

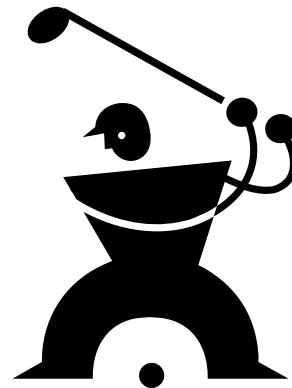

Saturday 28th August

Saturday 11th September &

Saturday 18th September

Mixed Foursomes is being played on Sunday 29th August. Members only (Full Playing, Category A and Category B) are eligible to enter.

The Southpaw Cup (for lefthanders) has been rescheduled to Saturday 7th August.
